## ABUQUERQUE DAY HAS SOME SPECIAL FEATURES

Tomorrow is Set Aside to Emphasize the Greatness of the Commercial Capital of New Mexico; Added Attractions.

Tomorrow has been set aside as a special day dedicated to Albuquerque, the city of the ancient Duke of Spain, now grown into the greatest commercial and industrial center of the new state. As is befitting the celebration of such an event special features have been added to an already elaborate program.

Aside from the big Montezuma parade, where will be shown in pictures and float the story of the historic past and the present progress of Albuquerque and the southwest, unusual features of interest will mark the several departments of the fair management.

**Albuquerque Derby a Feature.**

The big event on the racing program will be the Albuquerque Derby.

This is an annual event of classic proportions, and there is keen competition among the running horse owners for the first place in this event. The 1 1/2 miles and the 2 1/2 trot will also prove even more interesting than previous harness events, owing to the ability of the grandstand to judge the horses entered by past performances.

**Baseball Tournament Gets Interesting.**

There is no longer any need to boast the brand of baseball that is being played at Traction park this week. The fans have seen A No. 1 ball played by every team in the try-out for first money, and while conjecture as to the final outcome is rife, it is even money every way so far.

**El Paso has shown her ability to meet all comers so far, and Albuquerque has shown up well against the teams played, so that the game tomorrow between El Paso and Albuquerque will draw out the larger following of the popular Cross to root for the home team. Santa Fe will also line up against Dawson.**

### Other Attractions.

Aviator Walsh will again tempt the spirits of the air in his Curtiss biplane. The fact that Albuquerque is having an aviation meet along the same lines as those held in Los Angeles, Chicago and New York marks another step in the progress of this progressive city.

The Carpet company will continue to show its wonderful free exhibitions, as well as setting several new ones in the long list of fun attractions along the great and wide.

## Corsets

The very foundation of stylish appearance is the unseen apparel--the corset in particular. In our Corset section we are displaying complete lines of American Lady, Madam Irene, Gage-Downs and Thompson's Glove - Fitting. They are all standard makes and finely made in batiste, coulil or brocade, with the low bust and extremely low hip. Particularly are our lines adapted for those who recognize the advantages of wearing a perfect corset.

Did it ever occur to you that the posture of a young girl is oftentimes directly traceable to the fit of her corset, and the habit of standing correctly and throwing her shoulders back, if cultivated when young will always be maintained? A well fitting corset for the growing girl is a great aid to a correct posture, besides helping to form a correct figure--Our corsets for misses and young girls are built on the lines necessary to carry out the above features--priced at \$1.00 and up.

## DONA ANA COUNTY FOR REPUBLICAN TICKET SAFELY

Las Cruces Newspaper Man Is  
Here Today Visiting Fair  
With a Number of Other  
Mesilla Valley Boosters.

With P. Lapoint, editor and proprietor of the Las Cruces Citizen and La Estrella, the two leading and most influential Republican papers in the Mesilla Valley, is spending a few days here in the fair. He is the son of Frank A. Bushnell, one of the active leaders from the southern metropolis. Mr. Bushnell, Messrs. Miles B. Stevens and Forrest McKinney, W. W. Clegg arrived this afternoon to attend a meeting of the southern county board of which he is a member. Mr. Clegg was on Monday nominated by the Republican party for the office of treasurer and collector, which has been held by the Hon. Oscar Hoffman for many years. Mr. Hoffman was not a candidate for reelection and he, as well as those who were detained here, assured the party of their hearty endorsement. Mr. Lapoint, who himself was a candidate for the office of county clerk but who退了 at the last minute in favor of Hon. Editho Andrus, who was appointed by the Hon. H. D. Holt, who has done more for the Republican party in the county and in the territory, and for the spreading of the Southern party, than all the members of the Democratic party put together, some of whom are trying to cast reflection upon his wife, honest, fearless and industrious past record, but whose efforts will serve to gain for the Republican party, not only the said independent vote, but that of every independent Democrat.

Dona Ana County will therefore give our standard support, the Hon. H.

## RAILROAD STOCKS DEPRESSED BY SELLING

Entire List Goes Down in Sympathy When President Sales Drop Price of Reading; Close Rather Steady.

(By Evening Herald A. P. Leased Wire)

New York, Oct. 11.—The demand for stocks today was confined almost entirely to professional operators who did not wish to increase the commitments in view of the holiday tomorrow. Prices soon shaded off, and the speculation was steeper for a time in the second hour, but the general recovery was hindered by persistent selling of Reading, which went down to 125 3/4. Pressure against the market ceased after midday and there was a sharp fractional rally in the railroad list. Union Pacific rose to a fraction above yesterday's close and Reading also made up a good portion of its losses.

Whenever selling ceased and the market made some progress upwards, a fresh attack on Reading sent it down to a lower level than before, and the whole list reacted in sympathy. Reading yielded to 125 3/8, the low level of the year.

The close was steady.

### Chicago Grain.

Chicago, Oct. 11.—Failure of frost to damage crops in the Argentine counted today against the bulls in wheat.

The opening was 148 3/8 down. December started at 98 to 98 3/8c, a decline of 1 1/2 to 1 1/4 cents to 148 3/8c, and fell to 97 7/8 cents.

The close was firm with December shade not higher at 98 3/8.

With arrivals expected to be larger on account of good weather, corn turned weak. December opened a shade to 148 3/8c off at 64 1/2 to 64 3/4 cents and sagged in 64 1/2 to 1 1/2c.

The close was steady at 64 5/8c for December, a net loss of 1 1/2 cents.

Oats were easy with wheat and corn. December started the same as last night at a sixteenth lower at 47 1/2 to 47 5/8 cents to 47 5/8c, and descended to 47 1/2c.

Sealers' little provisions a bit but encountered free sales from commission concerns. Initial transactions were unchanged to 2 1/2 cents higher with January at \$15 1/2 to 2 1/2c for pork; \$8.80 for lard and \$8.00 for ribs.

### Chicago Livestock.

Chicago, Ill., Oct. 11.—Cattle receipts estimated at 20,000. Market generally steady. Heaves \$4.35 to \$4.50; Texas steers \$4.15 to \$4.20; western steers \$4.25 to \$4.50; stockers and feeders \$3.25 to \$3.70; cows and heifers \$2.00; calves \$5.50 to \$5.90.

Hog receipts estimated at 25,000. Sheep receipts 60,000. Market weak, 10c lower. Native \$2.50 to \$3.15; western \$2.90 to \$3.15; yearlings \$2.85 to \$3.65.

## CHANGE OF PROGRAM AT THE NEW CRYSTAL

New Vaudeville and New Pictures Tomorrow At the Pretty Playhouse On South Second Street.

A complete change of program—new pictures and new vaudeville—announced for tomorrow for the New Crystal Theater on South Second Street. As in the case of the opening bill, which will be presented by the best line this evening, Manager Scott has made a special effort to secure a program which will appeal to the big fair crowds.

The vaudeville feature of the new program will be a half hour of laughs produced by Grindell and Henry, a big-travel team, which has been pleasing California audiences. As usual at the New Crystal, the picture numbers will be the best to be had.

All-new, great show, too.

### MONEY AND JEWELS STOLEN FROM BARTH

Last night while the family was absent attending the fair, the residence of Isaac Barth on Tijeras avenue was robbed on money and jewels amounting to \$1000. The burglar was a black man, dressed in dark clothes, wearing a cap and a mask. He forced his way into the house through a window and took \$1000 in cash and jewels. The family was not at home at the time of the robbery.

Supervisor Goodard of the post office is in the city for a conference with district officers today.
